

From Jan S - please pray for my niece Jessica. She is not feeling well and the doctors do not know what is wrong. She is going through a lot of different testing to find the cause of her illness. Pray for strength for the family, for understanding for the doctors that they may find the right course of action for Jessica

THANK YOU

We always thank God for all of you, mentioning you in our prayers. We continually remember before our God and Father your work produced by faith, your labor prompted by love, and your endurance inspired by hope in our Lord Jesus Christ." Pastor John and I are so very grateful for the Thursday gathering on our lawn of so many of you, to lift up the name of Jesus in worship, to pray, and to encourage us. Your demonstration of your love for Jesus and your love for us was an unexpected gift we will not forget. For those who have prayed, sent cards, called, texted, and visited, you have been the heart of the Father throughout this journey. Bless you all for the blessing you have been to us.
