

YOUR PRAYERS ARE NEEDED

JOIN US IN A SPECIAL PRAYER VIGIL.

WE ASK THAT WHEREVER YOU ARE, WHATEVER YOU ARE DOING –  
STOP AND PRAY FOR PASTOR JOHN ---TODAY, MONDAY, SEPT 13 at 6 PM.

We are saddened to share the Pastor John is in the hospital.

As you may know following his last chemotherapy, he developed a cough and lower back pain. It turns out some of the problem was caused by pneumonia. So far medication has not been helpful.

He went into the hospital early Monday morning. His pneumonia has spread. Thankfully he is there at Day Kimball Hospital where the doctors and nurses can now find the right course of action to fight the pneumonia and pain.

Please share this information with others who know Pastor John & Liz. Please keep them in your prayers especially at 6 pm but also throughout the next days and weeks ahead.
